Overview

The V7 Vantage Laptop Backpack is a lightweight multifunctional solution for on-the-go professionals or students. The backpack is designed with a multi-layered foam compartment and Velcro secure band for laptops up to 16.1", with ample storage room in the main zippered compartment to house files, notepads, books and power adapters. You'll have quick access to the accessory workstation for pens, keys, business cards and smartphones. An additional compact zippered compartment is provided for ear-buds, stylus or small sized traveling items. The two elastic mesh side pockets tightly secure water bottles or a travel umbrella. The back padding and contoured adjustable shoulder straps is lined with Air-flow moisture control mesh to guarantee a dry and cool back.
